

HARDENED BY WOODURA<sup>®</sup> TECHNOLOGY

# HARDENED WOOD XXL – FLOORING FEATURES

## Large Dimensions

Unparalleled performance, aesthetics & pricing in the large format category

## Natural

100% Real Wood – every plank is designed by nature

## Install Faster, Easier & Stronger

5G<sup>®</sup> Locking System allows up to 2x faster installation. Strongest locking strength in its class (floating & glue)

## 3X Stronger than traditional wood floors

Highest impact (dent & gouge) resistance. Outperforms traditional solid and engineered hardwood floors

## Sustainable

Get 10x more flooring out of the raw material than traditional wood floors

## Warranty

**10 Year:** Class 33 medium to heavy commercial warranty

## Waterproof & Worry-Free

5G<sup>®</sup> Dry™ waterproof technology with a high moisture resistance Compositex™ core

## Floor & Wall

5G<sup>®</sup> Climb™ converts flooring to (glueless) wall covering

## Above/ On/ Below Grade

**Install Areas:** Suitable for installation in most commercial and residential applications, except humid and wet areas

# The Viken Range

Our floors are designed in harmony with nature. Created to enhance the beautiful character of your home and bring a lasting impression of grace and comfort. All designs are infused with our natural heritage and will feel right at home everywhere.

***Lighthouse** is a mild and naturally bright shade creating a feeling of modern simplicity. It adds a touch of fresh air and fills your home with beaming light.*

***Bungalow** gives every room a soft and soulful feeling. The beautifully muted tone is ideal to create a radiant home with bright aesthetics a calm, balanced foundation.*

***Cottage** has the timeless look and naturally relaxed feeling of a classic oak floor. Creating a warm and welcoming home – for generations to come.*

***Beach house** is a soft grey shade providing a serene feeling of peace and harmony. The natural balance between cozy and contemporary creates a home filled with heart and soul.*

***Hideaway** honors our natural heritage. The deep brown tone adds grace and comfort to all rooms and creates a grounding foundation for joy and harmony.*
